

One relationship for office exits and ongoing workplace cleaning.

Tenant leaving? Sydney Office Clearance. | Tenant staying or moving in? Sydney Office Care.

MOVING OUT / HANDING BACK

Sydney Office Clearance

For businesses moving, downsizing, closing or returning commercial premises.

- Office furniture and loose-item clearance
- Photo or walkthrough-video scope review
- Scope locked before attendance
- Building access coordination
- After-photos for completion records
- Obvious e-waste separated where practical

Launch areas: Parramatta CBD, North Sydney and Sydney CBD

OTHER HANDOVER WORKS

Where required, Sydney Office Clearance can help coordinate separately agreed signage removal, minor make-good, specialist waste/e-waste and appropriately licensed trades through selected providers.

Already arranged a cleaner, mover, make-good contractor or trade? We leave that scope alone and coordinate only the remaining agreed work.

LOW-EFFORT HANDOFF

Introduce the client once. We take the relevant conversation from there.

1	2	3	4
Introduce	Review	Coordinate	Close the loop
Send basic project or office details.	We confirm the relevant scope and next step.	With permission, we deal directly with the client.	Clearance includes after-photos; cleaning follows the agreed service plan.
